P

Seminole Sound Staging Instructions

All equipment trucks and busses will enter at the intersection of 86th avenue and 125th street and proceed West onto 86 Ave towards bus parking.

All busses will be greeted at the entrance of Richard O Jacobson Technical Highschool and will be escorted inside to park.

Your band will be directed to Marching warmup area next door at Bauder Elementary.

Equipment trucks will continue West on 86th Ave to Bauder Elementary school and will be directed where to park and unload.

Front ensemble warmup will be at Bauder on the rear blacktop.

We will provide trailers/drivers to transport front ensemble equipment/kids to the stadium for their performance. As well as pick them up after their performance and return them back to Bauder to reload into their equipment trucks.

After reloading your equipment, your truck/trailer may be asked to relocated off campus in order to accommodate later arriving bands and equipment. (there will be reserved space along 86th Ave for overflow parking, which will afford a quick exit at the end of the night)

Props will have to be pushed to the stadium to the prop holding area from Bauder. Depending on foot traffic, larger props may be dropped off by vehicle and unloaded closer to prop holding area.

Please contact specialevents@seminoleband.org if you have any questions or special needs for this occasion.
